

Counselor Conversation Card #2
September: Responsibility

Name _____

Grade _____ Date _____

We are School Cool! Today we learned that being responsible makes us cool in school. We discussed what responsibility means and then answered questions on a responsibility survey. We used our answers to create a responsibility plan and made a pledge to be responsible in 3rd grade.

Counselor Conversation: Discuss the “Am I School Cool?” at home. What are you doing very well? Are there areas that can be improved? What responsibility plan can you make at home?
