

Counselor Conversation Card #1
September: Responsibility

Name _____

Grade _____ Date _____

Today we discussed the virtue of responsibility. We defined the virtue in our own words and talked about characteristics of responsible people. We then discussed how responsibilities change over time and how we have new responsibilities in 6th grade. We completed a worksheet and discussed six ways to make responsible choices.

Counselor Conversation: Talk about new responsibilities at home and at school. Do you have more responsibilities at home? How do freedoms (or privileges) and responsibilities go hand in hand?
