

Counselor Conversation Card #1

September: Responsibility

Name _____

Grade _____ Date _____

Responsibility is not a game of dodge ball! Today we discussed the benefits and consequences of taking and not taking responsibility. When we do not take responsibility for ourselves and our actions or make an excuse, we are playing dodge ball. We played a game of “Responsibility Ball” (the opposite of dodge ball) and thought of ways to take responsibility, rather than making up an excuse.

Counselor Conversation: What are each family members responsibilities at home? What are the consequences of not taking on those responsibilities? What happens when someone dodges their responsibilities?
