

Counselor Conversation Card #1  
September: Responsibility

Name \_\_\_\_\_

Grade \_\_\_\_\_ Date \_\_\_\_\_

Today we discussed the virtue of responsibility and the idea of stakeholders. We talked about how stakeholders are people with an interest or concern in something. We did an activity to help us see how many stakeholders are involved in different situations. We then discussed who are the stakeholders in our own lives and completed a worksheet. We talked about how our choices to act responsibly or irresponsibly have an impact on all of our stakeholders.

Counselor Conversation: Discuss the stakeholders worksheet with your parents. Who are the stakeholders in your family's life? How is impacted when you make a responsible or irresponsible choice?
